### Before The Test

- Use the team list as a roster and mark off each team in the room.  
**Contact the Director if a team is in the wrong time slot**
- Teams may **ONLY** participate in their selected time slots
- Please check the team list to verify team numbers and proper time slots
- Teams **MUST** write their **team name and letter on the test.**

### Scoring The Test

- Log in to the Science Olympiad Website:
  1. Choose the **Event Supervisor** tab at the top
  2. Under Competition Day choose **Event Scoring**
- Enter the score for a team in the column: **Score 1**
- Use the tie breaker column to break ties
- For NO SHOWS, leave the Score 1 Column blank .**  
The system will automatically calculate the score as a no show
- For DISQUALIFICATIONS,** (any team displaying improper behavior or cheating) indicate "**Disqualified**" in the status column
  - Inform any student who was given a Disqualification **before** they leave the event
- Scroll down and click **SAVE CHANGES** at the bottom of the page to save scores
