

Arizona Science Olympiad 2025 Team Registration Checklist

Please use this checklist as guidance in registering your school for the 2025 Season (2024-2025 school year). All forms must be submitted for your team to be fully registered and to be able to compete at any Arizona tournament. School sponsored invitationals may have their own set of paperwork; please review their requirements. Team Registration deadline is December 1, 2024. Late registrations accepted through January 15, 2025, with a \$50 late fee.

1. Create a Scilympiad Profile & Register Your Team

All Coaches must create a login and register their schools/teams on-line at <https://scilympiad.com/az>. Please update school information, including address, as appropriate. Please use the address where you would like your awards received.

All communication comes from the email: info1@scilympiad.com. Please review and verify all website login information and ensure emails are not going to your spam folder.

2. Paper Form Registration (optional)

A paper form [registration](#) is made available to process through your business office. This information is equivalent to the on-line registration process.

3. Student Releases

Upload properly executed [Student Releases](#) to the Science Olympiad google drive that will be provided to all Head Coaches. Alternatively, they may be mailed to the address below. Student Releases will not be accepted via email. Teams competing in Invitationals must submit Student Releases one week before the tournament. All Student Releases due NLT 15 January 2025.

Arizona Science Olympiad
12425 E Fort Lowell Road
Tucson, AZ. 85749

4. Read and Understand National and Arizona Science Olympiad policies.

By registering a team, this confirms you have read both [National](#) and [Arizona Science Olympiad](#) Policies.

5. Submit your Payment

Acceptable payment includes check, Purchase Order, or PayPal.
