

DO YOU KNOW YOUR RULES (2025)

1. **DESCRIPTION:** Students will answer questions related to the current Science Olympiad rules.

A TEAM OF UP TO: 2 per session

IMPOUND: No

EYE PROTECTION: None

APPROXIMATE TIME: 50 minutes

2. **EVENT PARAMETERS:**

- a. To encourage all Science Olympiad team members to read and know their event rules, this event will allow teams to send multiple teams of 2 to participate in this event.
- b. Each team member may bring a copy of the rules in paper format or electronically (laptop or tablet). Cell phones are not allowed. Paper copies of the rules may be in binders or bound together in any form and may be labeled or tagged in any fashion.
- c. Division B teams will only answer questions regarding Division B rules and Division C teams will only answer questions regarding Division C rules.

3. **THE COMPETITION:**

- a. The event will be administered on the Competition Platform.
- b. Students are required to bring a laptop/ Chromebook to take the test.
- c. Out of Browser penalties will not be applied.

4. **SAMPLE TASKS/STATIONS/QUESTIONS:** Sample questions may include: What type of eye protection is required for Towers? What size of 3-ring binder is allowed for Fossils?

5. **SCORING:**

- a. High score wins across all teams that have competed in the event.
- b. Ties will be broken by pre-selected questions.
- c. This event will not be counted towards overall score.

Recommended Resources: Current rules.
