In a Satellite Invitational, teams will compete at their own school. All events will be offered through the Competition Platform. Each school is required to have a Proctor who will monitor students as they take their test and submit a Proctor Report. Schools must submit a Satellite Agreement of School Use and Primary Coverage form for each tournament. All forms can be found on the Head Coach Dashboard.

Paperwork Deadline: 1 December 2021. Please scan and email properly executed forms to the Logistics Team.
