

PARKING AT WSU

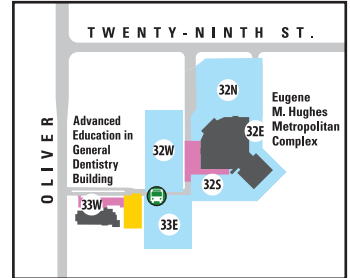

During the fall and spring semesters, Wichita State's main campus is an ePermit-only parking environment from 7 a.m. to 5 p.m. on weekdays when classes are in session, with the exception of the RSC Parking garage which requires an ePermit at all times. Visitors to campus during the enforcement period may park without an ePermit for four calendar days during the year (July-June). On your fifth visit to campus during the year, you'll need to purchase an ePermit at the link below. Visitors may also choose to park in the parking garage near the Rhatigan Student Center at a \$1.50 per hour rate.
