Hello coaches,

We have a few last minute updates and reminders we need to share for tomorrow!

Room Changes: Please note the following events have been reassigned to new room locations:

- Botany B (Trial) – Moved to Remsen 101
- Robot Tour – Moved to Glass Pavilion (now ending 2:30p instead of 3p!)

Rosters and Waivers: Reminder to bring your roster and waivers to registration. Your team **CANNOT** compete without turning in these forms! JHU requires a Risk & Liability waiver from all participants and all forms for student participants must be signed by a legal parent or guardian.

Construction Site/Road Closure:

On Saturday, April 13, from 7 a.m. to noon, Bowman Drive will be closed from the Jenkins loading dock to the Levering loading dock.

Emergency Alert System:

We encourage all event staff, students, and non JHU-affiliated guests subscribe to our emergency text alert system. In cases involving an imminent threat to safety and security on or near the Homewood campus, the university may send text message alerts directly to you. You are welcome to subscribe to Johns Hopkins Emergency Alerts now and for the duration of your time on campus.
