

News and Announcements

- Update: September 14, 2020 -

Thank you all for your patience as we have been working through everything going on around us to plan the upcoming MSO season.

We are very happy to say that **registration for the 2020/21 season is now OPEN!**

The registration window for the season will run from Sept 14 - Dec 18, 2020. Any teams not added and paid for by 12/18 are subject to a \$100 late fee and/or removal from the competition season.

A reminder that we have moved all registration functions to scilympiad.com/md. Accounts set up last season on that site are usable again this year. We'll have a walkthrough up on the site soon for those unfamiliar with it.

As we have committed to remote tournaments, we are able to reduce our costs in putting on tournaments, so correspondingly, we are reducing registration prices for the season. The registration costs for the 2020/21 season are as follows:

First team: \$300; Additional teams: \$250

***Limit 2 additional teams per school (3 teams/school total)*

Finally, below is our current tournament schedule. We'll provide more details on tournaments as we continue planning over the coming weeks, but we plan on having these days be the main competition dates for each Regional and State Tournament:

Regionals

2/20/21 - Montgomery College Regional (Western Div. C)

3/6/21 - Morgan State Regional (Baltimore Div. B)

3/13/21 - Richard Montgomery HS Regional (Eastern/Western Div. B)

3/20/21 - Mt. Hebron HS Regional (Eastern Div. C)

State

4/17/21 - Maryland State Tournament @ Johns Hopkins (Div. B & C)

Thank you all, we look forward to having you and your students again this year. As always let us know if you have any questions!
