

2023 RMHS Sci Oly Div B - Tournament update #3

Wed, Mar 1, 2023 at 11:18 PM

Good evening coaches -

Thank you for your support on recruiting volunteers! I will be assigning them to events tomorrow and communicating when I do. They will appear in [2023 RMHS Div B Sci Oly Event & Volunteer Schedule MASTER](#), so there is nothing new to send out.

Also thank you to the coaches who have been reading documents thoroughly and sending questions and comments. Updates are added to [2023 RMHS Div B Sci Oly Tournament - Guest Information](#) and summarized below.

- Food section has been updated.
- We will have an in-person awards ceremony beginning at 5:00 pm in the Gymnasium
- Typo for Sounds of Music room has been corrected (it's 352).
- I was asked for the height of the gym, but I don't know that. It's a fairly big gym, with a full set of bleachers.
- <https://scilympiad.com/md> is the correct url for Maryland's tournaments. A brief section about Scilympiad has been added.
- Sign-ups for build event times are open now. They close Thursday evening. If you miss signing up, students can still walk-in.
- Since all test events are on the 3rd floor, it is acceptable for students to bring materials for multiple events in a string bag or backpack and just leave that at the front of the room.
- Lab boxes may NOT be left on the 3rd floor between Crime Busters in the morning and Can't Judge a Powder in the afternoon. They should be returned to the team area for safekeeping in between those events.
- If everyone who should be getting a wristband hasn't arrived by 8:30a, please have one of the team adults stay near entrance #1 to provide the wristbands upon arrival.

We have parking for buses, but I need to account for how many there will be and give instructions. I know of 1 so far. If your team is arriving by bus, could you please let me know?

We will call that good enough for tonight!

-Lissa
