

Science Olympiad National Tournament Parent/Guardian Permission Form

My student is part of the Science Olympiad team and plans to participate in the upcoming Science Olympiad National Tournament, on Saturday, May 22, 2021, from home. The format of the tournament is a “mini SO”, or a test-based tournament completed in a distance learning environment. Please initial each of the following:

PERMISSION

I grant permission for my student to participate in this Science Olympiad event.

SUPERVISION & SAFETY

I verify that my student will be supervised during participation from home. I understand my student will potentially be using a home internet connection and personal technology such as a home computer during this Science Olympiad event. I have reviewed the mini SO safety guidelines found on the Science Olympiad [volunteers](#) page with my child.

VIDEO & RECORDING

I understand that my student’s work will be recorded and reviewed by Science Olympiad volunteers and personnel, and not shared outside that cohort. I also understand that my student’s name and image may be used in video ceremonies, the Parade of States video, or to announce results or winners associated with the Science Olympiad event, which may be posted on public websites. Please read the standard Video/Photo/Audio Consent language below.

IMAGE CONSENT

I consent to the use by Science Olympiad, Inc. of my/my student’s image, voice, or both, in (1) any video, photograph, or audio recording; and (2) any video, photograph, or audio recording reproduced either in whole or in part from the video, photograph or audio recording; regardless of whether these materials are used for advertising, publicity, or any other purpose on behalf of either Science Olympiad or its university hosts, sponsors, chapters or partners. I warrant that I have the full right and authority to grant this consent. In addition, I waive all claims to compensation or damages based on the use of my/my student’s image or voice, or both, by Science Olympiad or its sponsors, chapters or partners. I also waive any right to inspect or approve the finished photograph or video or audio recording. I understand that this consent is perpetual, that I may not revoke it.

CODE OF ETHICS & ACADEMIC INTEGRITY

My student and I have read and will abide by Science Olympiad’s stated [Code of Conduct](#), [Code of Ethics](#), [Student and Parent Pledges](#) and will follow all direction given by my school in its Student Handbook regulating behavior and academic integrity while representing my school.

SAFETY AT SCHOOL & MEDICAL PERMISSION

___ I certify that my student has a medical form on file with his or her school. Some Science Olympiad events for the 2021 National Tournament will be run as optional trial events and contain hands-on building or lab activities, which may be performed on the school site. If your student is working with the Science Olympiad coach to practice, film or record an activity for submission to the Science Olympiad organizers, and your child is at school when participating, you certify that there is a medical form on file with the school should any situation arise.

COVID-19 AGREEMENT

___ If health department, district and school regulations allow gatherings, and your student joins others for a Science Olympiad purpose on the school site, you certify that you understand the following statement: “Your child’s school has put in place preventative measures to prevent and mitigate the spread of coronavirus (COVID-19), however, by attending this Science Olympiad event, your child’s risk of contracting coronavirus (COVID-19) may increase. By entering the school, you voluntarily assume all risks and hereby release, indemnify, and hold harmless the school, Science Olympiad, Inc., or any of their respective employees, agents, successors, and assigns (“Released Parties”) singularly and collectively, from and against any blame and liability for any injury, harm, loss, inconvenience, or any other damage of any kind connected to your participation in this Science Olympiad event.”
