

2018 San Diego Science Olympiad Bulletin #3

Email sent to coaches dated: November 8, 2017

Hello Coaches,

In order to attend and participate in the San Diego Regional Science Olympiad tournament, schools/districts are required to provide a Certificate of Liability Insurance by December 17, 2017.

In lieu of emailing, schools will upload Certificate of Liability Insurance to the San Diego Regional SO portal starting November 17, 2017. Regardless of the multiple schools covered under the same Certificate of Liability Insurance, each school will be asked to upload individually to the Regional SO portal. Please do not email us the Certificate of Liability Insurance. Please verify the accuracy of the Certificate of Liability Insurance prior to uploading.

Please provide the following applicable language to the district or agency that will issue the Certificate of Liability Insurance.

For Division B schools only:

Insured: List the specific schools by name

Certificate Holder must be listed in a complete manner: Carlsbad Unified School District and San Diego Regional SO

The Certificate should list as Additional Insureds the following: Carlsbad Unified School District, its Board of Trustees, Officers, employees, volunteers and agents and San Diego Regional SO, its Board of Directors, Officers, agents and volunteers.
