### 2020 San Diego Regional Science Olympiad Bulletin #18

Email sent to coaches dated: March 4, 2020

Hello Coaches,

**San Diego Regional will no longer be printing team information on student wristbands.** Color-coded wristbands are blanks. **Coaches are encouraged to provide each student their own badge with the following information: School, Team Name and Team No.**

If coaches are unable to print badges, please provide a printout with the same-mentioned information for each of your students in order for them to fill in the answer sheets correctly.

As a backup, the check-in sheets have your team information extracted from your "my signups" webpage. Please advise your students to ask event supervisors for their team information if it is not readily available to them. **It is critical that teams fill out the team information correctly on their answer keys or their scores may not be recorded.**

**Reminder: wristbands will not be released until the following tasks have been completed and you have submitted the online Head Coach Certification (Head Coach Dashboard, Compliance, Verification /Checklist, Head Coach Certification):**

1. Volunteer requirements met or waived
2. Digital Roster of Participating Students
3. Signed Roster of Participating Students
4. Releases received and verified

Sincerely,  
Zoom Duong
