

2019 San Diego Science Olympiad Bulletin #4

Email sent to coaches dated: September 11, 2018

Hello Coaches,

Revised Preliminary State and San Diego Regional Schedules of Events are posted online under Resources, Useful Documents, Category: Schedule.

The critical change is in the swapping of Division B and C for Anatomy and Physiology.

The San Diego Regional Schedule of Events has the same conflicts as the Southern California State Schedule of Events. Exceptions: (1) Mystery Architecture B is a scheduled event at San Diego Regional versus a self-scheduled event at State (2) Sounds of Music Written Test C is a scheduled event at San Diego Regional vs a self-scheduled event at State.

Recommended Lab Equipment for Division B and C Chemistry Events are posted online under Resources, Useful Documents, Category: National SO Resources

Sincerely,
Zoom Duong
