

## Parking Information

Parking permits are not required on Saturday and Sunday. Payment at the pay stations is only required Monday through Friday, between 7:00am - 7:00pm, thus you may park in any space that is not red or marked as "Reserved 24/7" on campus Saturday!

I would recommend that you direct everyone to enter campus through the WEST ENTRANCE and park in the Olin Hall parking lot as this will be the closest lot to Manchester Hall. Olin hall is the building right next to Manchester. I have starred the WEST ENTRANCE as well as the Olin Hall parking lot below.
