

2023 San Diego Regional Event Groupings/Conflicts

San Diego Regional event groupings/conflicts are the same as SoCal State.

The event groupings will be the same for all schools; however, not all schools will take the scheduled event tests at the same time. All teams from the same school compete in the same scheduled event time blocks.

Note: even though Sounds of Music B is a self-scheduled event, teams from the same school must sign up to test in the same block.

Rev. 9/16/22

Division B Schedule Events

Crave the Wave B	Anatomy & Physiology B	Bio Process Lab B	Can't Judge a Powder B	Green Generation B	Code Busters B
