Hello Coaches,

Welcome to the February 7 Scilympiad SO Practice. It is modeled after Mini SO tournament (virtual). This means that students compete from their homes or at an offsite location and not gather together or be at school. If partners happen to live under the same household, we ask that they also participate in their events in separate rooms and on separate computers if possible. And as teams are preparing for the Scilympiad SO Practice, please make sure everyone is following local and federal laws and health guidelines.

Team Numbers:

All Divisions B and C teams have been assigned a team number. You can see your team numbers by going to Head Coach Dashboard -> Register/Update Teams and the Team number is in the first column.

Coach Checklist and newly posted information are located at the home page

Please check the website often for up-to-date information.

Sincerely,
